

Notice: Faulty Safety Edge has been disabled

I, _____, have authorized Sylvester's Maintenance & Mechanical to temporarily bypass the Safety Edge on the overhead door in our facility with the Serial Number: _____.

I understand the Safety Edge feature is currently inoperable. I take full responsibility and liability for authorizing the bypass of the Safety Edge and hold-harmless Sylvester's Maintenance & Mechanical for any liability occurring from the disablement of the Safety Edge.

I further authorize and approve ordering a new Safety Edge.
